Summary

Trilingual sales professional (Portuguese, Spanish, English) with 15+ years across Brazilian, LATAM, and US markets. Recently completed formal training as a Real Estate Transactions Technician (TTI) and am focused on starting my career in residential and commercial real estate in Florianópolis. Combines consultative client communication, pipeline discipline, and digital marketing with hands-on CRM and automation experience — supporting lead capture, follow-up, and conversion in modern agencies.

Skills

Real estate & sales: TTI-trained; client prospecting, property showings support, consultative communication, objection handling, negotiation support, follow-up cadences

CRM & lead management: Pipeline stages, lead routing, marketing automation, intake workflows, data quality — directly applicable to buyer/seller funnels

Digital marketing: Campaign performance analysis, segmentation, messaging, SEO/SERP evaluation, social and WhatsApp-oriented outreach

Tools: CRM platforms, MS Excel (advanced), Make, n8n, reporting dashboards, WhatsApp business workflows

Languages: Portuguese (fluent), Spanish (native), English (near-native; ECCE Grade A)
